

Multi-Year Accessibility Plan

DATE: January 15, 2015

Introduction and Statement of Commitment

In 2005, the government of Ontario passed the Accessibility for Ontarians with Disabilities Act (the “AODA”). It is the goal of the Ontario government to make Ontario accessible by 2025. The Integrated Accessibility Standards Regulations (“IASR”) under the AODA require that effective January 1, 2013, the Waterloo Wellington Local Health Integration Network (WWLHIN) establish, implement, maintain and document a multi-year accessibility plan which outlines the organization’s strategy to prevent and remove barriers for persons with disabilities and to meet its requirements under the IASR.

Under the AODA, the following accessibility standards set certain requirements that are applicable to the LHIN:

- Customer Service;
- Information and Communications;
- Employment; and
- Proposed Accessibility Standards for the Built Environment

This multi-year plan outlines the WWLHIN strategy to prevent and remove barriers to address the current and future requirements of the AODA, and in order to fulfill the WWLHIN’s commitment as outlined in the [LHIN - Accessibility Policy](#).

In accordance with the requirements set out in the IASR, the WWLHIN will:

- Establish, review and update this plan in consultation with persons with disabilities;
- Post this plan on its website (www.wwlhin.on.ca);
- Report as required on its website (www.wwlhin.on.ca) on the progress of the implementation of this plan;
- Provide this plan in an accessible format, upon request; and
- Review and update this plan at least once every five years

This commitment will be integrated wherever possible and will ensure that persons with disabilities will benefit from the same services, in the same place and in a similar way as other customers.

Action Taken:

The following measures have been implemented by the WWLHIN:

- Ensuring all persons who, on behalf of the WWLHIN, deal with the public or other third parties, and all those who are involved in the development and approvals of customer service policies, practices and procedures, as well as all others providing services to our customers, are trained to communicate and provide the best possible customer service to all customers, including persons with disabilities;
- Ensuring staff are trained and familiar with various assistive devices that may be used by customers with disabilities who are accessing the WWLHIN's goods or services;
- Ensuring completion of accessibility training is tracked and recorded;
- Ensuring customers accompanied by a guide dog or other service animal in areas of the LHIN open to the public and other third parties, are accommodated;
- Ensuring that if a person with a disability is accompanied by a support person, the support person is accommodated.

If the disruption is long-term, the WWLHIN posts an announcement on its website informing customers of the location, duration of the disruption and alternate solutions;
- Continuing to welcome and appreciate feedback from persons with disabilities through multiple communication channels;
